

**ASSOC PROF DR. FEW LING LING**

B. App. Sc. (Hons) (Biotechnology), Ph.D (Biotechnology)

Biomedicine Programme,
School of Health Sciences, Universiti Sains Malaysia

+6097677536

fewling@usm.my

Researcher ID: E-1964-2012

Scopus ID: 6508291535

Specialisation:

Biochemistry, cell and molecular biology

Research Interest:

Regulation of human choline and ethanolamine kinase gene expression

Characterization of *Entamoeba histolytica* choline and ethanolamine kinases

Research Recognition and Achievements:

Editorial board of Health and Environment Journal; Reviewer of national and international journals

Available Postgraduate Research Topics:

1. Transcriptional regulation of human choline and ethanolamine kinase expression
2. MicroRNA regulation of human choline and ethanolamine kinase gene expression
3. *Entamoeba histolytica* choline kinase: biochemistry, expression and inhibition
